NEWS UPDATE

2024 Conference

There's no time to waste! As we charge into the new year, plans start to brew for the 2nd annual MAPE Conference. The Executive Board has already locked down a few important details:

- 1) Dates: October 9, 10, & 11th. *Mark your calendars now!*
- 2) Location: The Columbia Police Department Training Center. We took the feedback received from the 1st conference and bumped up the space.
- 3) Hotel: TownePlace Suites in Columbia. We will have limited rooms blocked from the 8th-11th.
- 4) Conference Planning Committee: The bar was set high with the success from last year. We want (and need) YOUR help to match and exceed those expectations. We all know how limited time can be, but something everyone can help with is spreading the word about the conference! This committee is in the process of being formed and it is not too late to join in! If you have an interest, please send an email to info@moevidence.com.
- 5) Sponsors: Some of the sponsors from 2023 have already signed onboard for this next round. Our goal is to get even more vendors involved who can share their wisdom (and swag).

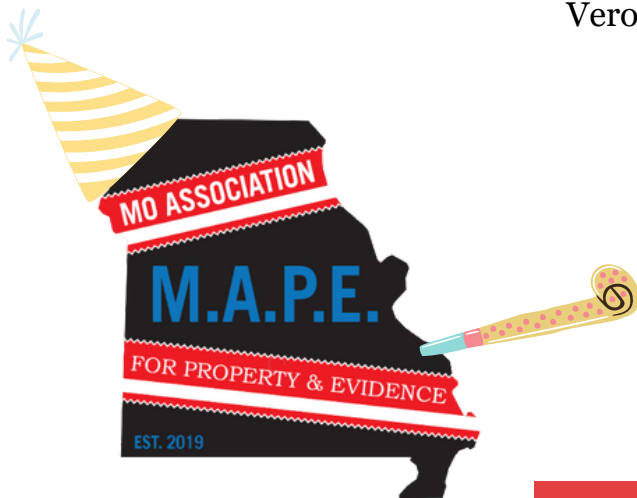

Executive Board Members

At the end of the 2023 Conference, multiple members expressed interest in serving as a Board Member. These individuals showed their commitment to the goal of professionalism in the evidence profession as they submitted formal requests outlining their background and experience.

The Executive Board Members met, discussed, and voted on these applicants....
